]. The unnamed first-person heroine of The Bloody Chamber's title story appears at first to be a Justine-like sacrificial virgin in a white dress, routinely destined for immolation; however, she changes during the narrative, and finishes by escaping her inheritance - female masochism as a modus vivendi and morendi - after a full-scale survey of its temptations. After her death, her children realize what she anticipated as they come to terms with their inheritance's place in their own lives. White Christmas. The warning system is not the problem; it is designed to point out the problem. A broad application of the technique has not yet been implemented.
