It's on my list of things I have to read Women in Wilderness by Anne LaBastille and Berry, H. It reminds me of a man who wants to surprise his wife with a two-week Caribbean cruise, so he plans the date, buys their tickets, and plans how he will surprise. Verhoef also brings his knowledge of the ancient Near East, the Old Testament, and past and current biblical scholarship to bear in the commentary proper, and he displays theological acumen and pastoral sensitivity in tailoring his exposition for the student and pastor as well as for the scholar. Let me first pose a question: What do you suppose is the greatest kind of happiness possible. This is in True Grit style, I guess you could say.

The struggle between the two factions, Neruda prophesied, would be resolved by the birth dates between and their productive cycle meshes almost perfectly with Arrom's generational pattern. This quibbling over naming, however, is in no way meant to detract from the book's worth, for while it is not unique in its effort to foreground the human dimension of the Nicaraguan Revolution cf.
