THE SCHOOLHOUSE

The model also specifies some of the most important mechanisms which make it possible to describe a terrorist campaign as a collective and macro outcome, that is, interactions between AGs and potential ICs, between AGs and potential AFs, between potential AFs and their community members, including their peer groups. The Church must be holy and without blemish.

The College Students Manifesto

I did enjoy this one. It is unsurprising and deeply unfortunate that the fight against human trafficking has become lost in the deafening roar of other modern social struggles.
